COUNTY AND CITY ADMINISTRATIVE UNITS

County units are listed alphabetically and are printed in bold face capital letters. City units are listed alphabetically under the counties in which they are located and are printed in bold face capitals and lower case letters.

Under the heading "Accreditation Status," SA indicates that these schools are accredited by the Southern Association of Colleges and Schools.

Administrative units accredited by the State Board of Education in accordance with the current policies and procedures are so designated in the first line of each accredited unit's entry.

Schools are listed according to code numbers and alphabetically. See page 118 for further explanation of the code numbering system. An alphabetical index of all public schools with code numbers starts on page 119.

The 1975 final enrollment figures shown with each school unit include kindergartens.

CODE NUMBERS FOR NORTH CAROLINA SCHOOL ADMINISTRATIVE UNITS

North Carolina has 33 partial county units, 67 total county units, and 48 city units. Code numbers listed below are arranged so that city units follow the county units in which the city unit is located. All statistical data are compiled independently for the 148 units, and it is necessary to add city unit(s) data to the containing county when it is desired to obtain county totals rather than administrative unit totals.
